### **Lafayette, Louisiana, 02.14.08 — OQSG Announces StandAlone Courses**

After 6 years of providing computer based operator qualification training and assessments, OQSG is proud to announce StandAlone. StandAlone courses offer our clients a new type of flexibility that was not previously available. These StandAlone courses can be used in any learning management system that accepts AICC or SCORM type courses and feature the same multi-sensory learning concepts as our OQVerify courses.

For additional information or to purchase StandAlone courses, contact: OQSG at 337.769.9608 or email [info@oqsg.com](mailto:info@oqsg.com)
